Games

The first game of the 2010 season is scheduled for Sunday 28th February. A reminder that all games are played at the junior soccer complex (Brolga Park) at the Murray Sporting Complex (Annandale). For new families, the main car park is off William Angliss Dr. (near its intersection with Mervyn Crossman Dr.), however alternative parking (and an entrance gate) is available on Murray Lyons Cr. A \$3 entrance fee is payable for all adults except for coaches who produce their official Registration ID.

Registration of Officials

All coaches, managers and game leaders must have completed a coach / manager / game leader registration form before games begin. If you have not completed this form (or have got absolutely no idea what I'm talking about), please come to the clubhouse NOW and let's get the paperwork done.

Additional Players

Do you know anyone interested in playing soccer? – we still have some vacancies in some teams (especially U10, 12 and 15 girls) and are also keen to introduce new players to the game. Remember, Northern Beaches United is the only soccer club to train locally in the northern suburbs and has the cheapest soccer fees in Townsville. Please encourage friends and family to join us!!

Teams

As we are receiving a lot of late registrations, there will be some changes to teams in the next week or so. Please be patient with us, we will keep you informed every step of the way.

Coaches and Managers required

Are you interested in coaching or managing your child's team? Like to know what is required? Please come and see one of the committee members at the clubhouse and we can give you more information.

Required Equipment

Official club shorts – only available from the club (\$25)
Official club socks – only available from the club (\$10)
Shin pads
Shoes/boots

We are nearly out of small sized socks (Boys & Youths), however hope to have a supply in before the first game day.

A reminder to parents that a player must not wear anything during training or at the game that is dangerous to him/her self or another player – this means that children can not wear peaked caps or any kind of jewellery.

Club Sports Sacks

The club has some sports sacks available for sale for \$10. They are in the club colours and are great for getting shoes, shins, hats & drink bottles to and from games & training. Available at the clubhouse NOW!!

BounceBack

BounceBack is a way for each of you to access our key information. It allows us to keep you up to date with last minute information, such as any cancellations to training sessions or games. Simply text **SOCCERNBUFC** to **199BBSMS (19922767)** and get the latest information in an instant. This return message will be kept constantly up to date and will be easier for you than trying to phone the clubhouse or any on the committee during work hours.

Newsletter Items Required

Do you want to celebrate a courageous effort, acknowledge a good deed, sell your old soccer boots, shout some great news from the rooftops??? Let us know your news and we can include it in this newsletter! Email the club at the address above.

Emailed Newsletter

This newsletter can be emailed to you each week. Please help save the environment (and our photocopier!) by leaving your email address at the clubhouse or emailing the club. Alternatively, the newsletter is uploaded to the club's website shortly after production and can be viewed there.

Season Passes for Sale

We have some season gate passes to Brolga Park for sale at the clubhouse. At \$50, they are a great way to make some savings over the soccer season. See us at the clubhouse if interested.

Car Parking at Brolga Park

A reminder to all parents and supporters NOT to park in the bus zones at Brolga Park (Murray) as in the past council parking inspectors have given out tickets for illegal parking.

Townsville Football Office

Just a reminder that on game days the office at the soccer ground is staffed by rostered volunteers from various clubs. It is NOT staffed by Townsville Football employees on the weekends and therefore not all your requests/questions can be answered on the spot.

Congratulations!

Congrats to two of our club members who have achieved significant representative honours.

Joshua Battersby (U16s) has been selected to the Australian Futsal team, and will be touring the UK later this year.

Vanessa Garside (previous member) has been selected to the Queensland Girls Football side and will be competing in National events this year.

Well done to you both! It just goes to show you don't have to join a large club to achieve at high levels!
