## ROUND 9 GAMES TO BE PLAYED THIS SATURDAY 19<sup>TH</sup> JUNE

*(Game Times are on the back)*

**No games 26<sup>th</sup> June 3 July or 10<sup>th</sup> July  
due to school holidays**

### **President's Message**

Did you all get up extra early Monday morning to watch the Socceros? It a shame the first game was such a disappointment, but we know that the boys have it in them to win the next two games so make sure you get out there and support them!

This weekend's games will be the last for a few weeks due to the school holidays. Check with your coach regarding training schedules over the break.

Edwina

### **Raffle Tickets**

Raffle ticket are well over due and need to be returned back to the canteen **sold or unsold** immediately. We need to get the chocolate fundraiser underway to ensure we have enough funds for trophies.

### **First Aider at Brolga Park**

Part of your fees goes towards funding a first aider at the grounds on Saturdays. All players and visitors can obtain free first aid attention on the day, just go to the change rooms (next to the canteen / office) - you will see the first aider sitting at a table outside the rooms. Please note, however, that the first aider must charge a fee to supply strapping tape (due to its high costs). To prevent this fee, you can either supply your own tape, or purchase some from the canteen. The first aider will then apply the strapping free of charge.

### **Fees**

Final payment of fees is now overdue. Letters will be going out this week to those who have outstanding fees, and have not made alternate arrangements. If you are unable to finalise your account please see Edwina for a confidential discussion.

### **Sad Farewell**

For those that did not know, Kelley Smith, the coach of the Wulguru United FC U14 team, sadly passed away a couple of weeks ago as the result of a motorbike accident. Our best wishes and condolences go out to Kelley's family and to all at WUFC.

### **Play By The Rules**

Play by the Rules is an online resource that provides free education, information and online training to help keep your sport safe, fair and inclusive for everyone.  
[www.playbytherules.net.au](http://www.playbytherules.net.au)

Three prominent Socceros have taken time out to stress the importance of good sportsmanship, inclusion, and the role of parents in sport, in a series of radio Community Service Announcements for Play by the Rules.

See the website for more details

### **Canteen**

Our canteen is open from 4.30pm selling hot chips, lollies, packets of chips and plenty of cold drinks. Tea & coffee is also available for purchase. We are currently reviewing our canteen stock and you may notice an increase in some prices over the next few weeks. Unfortunately we do have to adjust our prices in line with our suppliers, but please rest assured that all profits from the canteen go directly into the club. If you would like us to stock a particular product, please let us know!

Optus Small Sided Football is a modified form of 11 a-side football, designed to meet the needs of players between the Under 6 and Under 11 age groups, who have very different developmental characteristics and needs to adult players. The philosophy of Optus Small Sided Football focuses on enjoyment and freedom of expression with limited emphasis on coaching per se, particularly in the formative years of a player's development.

Come along and discover how you can best assist your child/team to enjoy Small Sided Football.
