ROUND 11 GAMES TO BE PLAYED THIS SATURDAY 24TH JULY

(Game Times are on the back)

Games times for 31st July are also available & can be found on our website

President's Message

It was great to finally have a game after that long break. I hope everyone was refreshed after the holidays and played their hardest on the weekend. I certainly saw lots of hard work and strong efforts at the games I attended – well done all!

It was also fantastic to see the new-look NQ Fury in action on Saturday night, I have high hopes for this season! I caught up with our ex-Big Brother, Robbie Middleby, to chat about the Fury's involvement with clubs this year, and he assures me that the Big Brother program will continue and we will be hearing from them soon. For those of you who were at the game and saw that huuuuuge inflatable pitch, Robbie also told me that they will be bringing that around to the clubs for our players to use. The pitch was awesome, and looked like great fun!

Finally, my new job means that I am out of town a lot lately, so haven't always been able to attend training days. If you have any concerns, questions, comments, please feel free to call me on my mobile (listed at the bottom of this newsletter) or see our very capable committee members at the clubhouse.

U8 Spurs – Team Report

The U8 Spurs had a great game last weekend, the whole team worked together well and we scored some fantastic goals. Our Super star Goal keeper **Jordon Reusch** saved a few too. **Matthew Anderson** was our Macca's award winner this week, congratulations Matthew. We wish **Jack Taylor** a speedy recovery, Jack has a broken arm due to practicing his soccer moves on the school holidays, that's dedication for you! Keep it up boys we are proud of you.

Funds for the Club

Queensland Football has entered into a partnership with the NAB (National Bank) to provide some funding opportunities for the local clubs. If you take out a new home loan or refinance your current loan with NAB and mention our club, they will make a donation to the club based on a percentage of your loan. For a \$300,000 loan, this could mean a donation of \$900 to the club. The local loans officer, Kylie Thomas, is also a member of our club, and will gladly meet with you to discuss your options. A flyer with Kylie's details is attached to this newsletter.

So if you are *already planning* to apply for a new or renewed home loan, and the conditions of the NAB loans suit your needs, please remember to mention our club's name. All donations received go straight back into the club to purchase training equipment for your children.

U6 Dragons – Team Report

The U6 Dragons are having a great season! Most weeks we have a couple of U6 Lions making guest appearances for us which is very welcome as we only have 4 players. Lenny Tombs is the veteran of the team, having played most of last season. **Lenny** normally scores goals in our games and is always running, chasing and getting stuck in. **Tamika** is the cutest of the Dragons and loves to add little fashion touches to her football shirt. Always smiling (unless her coach kicks the ball onto her nose) Tamika loves running forward and tackling and dribbling. She has also scored lots of goals. **Lewis** is the tallest dragon and improves with every game. So far he has played with a sore toe, a sore leg, a sore tummy and a sore head - a real hero! Sometimes he likes playing with an injury so he has an excuse not to chase the ball. Cheeky rascal! **Jace** is the final member of our team and won last week's Encouragement Award. A real trooper who loves tackling and making the coach shout at him. Sometimes his concentration drifts but he is our most improved player so far this season. Felicity is our manager and is doing a great job. Like Jace, she makes the coach shout a lot.
